ELECTRONICS

ZL - 2500

Specifications:

- Auto Levelling Range of $\pm 5^\circ$
- Auto Levelling
- Up to 800m of Operating Range
- Water and Dust Resistance
- 12V DC Supply

RL-600

Specifications:

- Auto Levelling Range of $\pm 5^\circ$
- Auto Levelling
- Up to 800m of Operating Range
- Water and Dust Resistance
- 12V DC Supply

DS - D31

Specifications:

- Auto Levelling Range of $\pm 8^\circ$
- Up to 800m of Operating Range
- Dual Slope
- Water and Dust Resistance
- 12V DC Supply

Control Box

Specifications:

- 12V DC Operating Voltage
- Updated Technology
- Ergonomic Design
- Heavy Mounting Stand
- Time & Error Display

 **APOGEE**

Laser Receiver

Specifications:

- 360° Reception Range
- Up/ Down LEDs Indication
- Strong Dual Mounting
- Glass Protection
- 200mm Reception

Laser Receiver

Specifications:

- 360° Reception Range
- Up/ Down LEDs Indication
- Strong Dual Mounting
- Glass Protection & Metal Covering
- 200mm Reception
